## Skinapeel

# A Dynamic Facial Peeling

### Benefits:

- Deep exfoliation
- Diminishes pigmentation
- Improves stretch marks
- Stimulates cellular rejuvenation
- Improves Acne Scarring
- Reduces fine lines
- Visible Results
- Leaves a flawless, smooth appearance to the skin

### Skinapeel - A deep cleansing and effective exfoliation treatment

Skinapeel allows a gentle and progressive exfoliation of the superficial layers of the skin. Micro crystals skim over the skin surface using specific movements by means of a "user friendly" probe.

A safe, natural and gentle process that treats areas of concern on the face and body to give you the benefit of a beautiful Skin.
