## Goddess Royal: 'The Rolls Royce of Skincare'

The Perfect formula for Beautiful Skin.....

Hyaluronic Acid + Silk Protein + Fresh Royal Jelly  
+ New Zealand Clover Honey = Goddess

The most beautiful women in history used the most luxuriant of products for their beauty regime. **Goddess Royal Skincare** contains the most superior ingredients; the luxurious and unique blend of Hyaluronic Acid, Silk Protein, Ceramide 2, Q10, Fresh Royal Jelly and New Zealand Clover Honey sets **Goddess Royal Skincare** apart from all other premier skincare products.

### Hyaluronic Acid

The human skin naturally contains approximately half of the total amount of Hyaluronic acid found in the body and its quantity decreases as we age. The most effective anti-ageing products will work to replace lost Hyaluronic acid which penetrates the skin deep down and binds with 1,000 times its own weight in water in the skin like a sponge.

### Silk Protein

This luxuriant protein has high moisturising properties and supplements the skins own amino acids, which are responsible for strengthening existing cells and making new ones. Silk acts as a humectant, a water retainer and provides a protective barrier against pollutants and their effect on the skin.

### The Finest Royal Jelly

Fresh Royal Jelly guarantees that a supply of vital nutrients, natural enzymes and minerals penetrate the skin to provide everything needed to reproduce fresh new cells; Vitamins C, B1, B2, B3, B5, B7, B9, B12 and 18 amino acids reinforce cell metabolism, Improves skin structure, heals the skin from within and stimulates the production of elastin and collagen.

### **Cleansing Silk**

A luxurious face and neck cleanser, for make-up and impurity removal; gentle enough to use around the eye area, the Silk Cleanser is made with Fresh Royal Jelly, camomile and benefits from added Vitamin E, Limonene, Pure Lemon Aromatic Oil.

### **Supreme Tonic**

As the name suggests, this is a premium skin tonic with Pure Grape Juice Extract, Fresh Royal Jelly and New Zealand Clover Honey with Natural Rose Petal Fragrance. Rebalance the skin in preparation for moisturiser. Recommended for use, after dermabrasion treatments to cool and calm the skin.

### **Silk Serum – with Ceramide 2**

This silk enriched Serum is anti-ageing, anti-irritant, anti-ozone and packed full of essential lipids to prevent dehydration and provide a protective barrier. Silk Serum stimulates the production of collagen, prevents the skin from dehydrating and promotes suppleness. The ingredients include Soluble Marine Collage, Ceramide 2 (rejuvenation aid), Vitamin C with Hydrolysed Silk Protein (helps hold in natural moisture and also very nourishing) and co-enzyme Q10 (boosts skin repair and regeneration). Apply a small amount, evenly over the face and neck, morning and night. For optimum results - use with Excellence cream or Elegance.

### **Excellence**

An exquisitely rich moisturising cream, energising and completely without perfume and rich in nature's finest ingredients. A rich, nourishing and rejuvenating combination of proven marine elements, including Aloe Vera, Hyaluronic Acid, Ceramide 2, plus Fresh Royal Jelly and New Zealand Clover Honey. Reduces the signs of ageing and fatigue and encourages the skin to find its own natural moisture balance.

### **Elegance**

The New Elegance is a highly moisturising, anti-ageing cream. Helps combat the forming of wrinkles and stimulates the skin's own production of collagen. Improves the skin's elasticity throughout the day when worn underneath make-up and when applied after your night time cleanse the benefits continue through the night.

### **Firming Serum**

A specially formulated lifting and firming serum, which works deep down to strengthen the tiny blood vessels, under the surface of the skin, that help to remove toxins. Goddess Firming Serum has anti-ageing benefits and encourages the skin to find its own natural moisture balance.

### **Appeeling Mask**

A gentle mask, that removes dead skin cells whilst softening and alleviating oxidative stress to the skin. Moisturising and anti-inflammatory properties, helps smooth and soften All skin types. Apply once a week after cleansing and toning with light circular movements.

### **Supreme Aromatic Mask**

Unique! Healing! Nourishing! Once used not easy to do without as it heals and soothes so rapidly. Used as a rejuvenating mask, only very little is required rather like a moisturiser. The aromatic oils with camphor clears the head and goes to work immediately to improve colour and texture. A real must have if ever there was one! The Rosemary and Camphor blends beautifully with the fresh Royal Jelly and the natural anti-biotic qualities it has as well as the many natural minerals and host of vitamins. Contains Rosemary oil, Vitamin E, Camphor, Honey & Royal Jelly and Kaolin (natural firming and cleansing mineral), which works to replace, lost hydration, improve the elasticity of the skin, soothes and revives the skin. Brilliant as a quick fix before a night out or as a "Refresh me", in the morning.

### **New - Hydrating Mask – with Hyaluron, Royal Jelly and Ceramide 2**

An intensive nourishing and rejuvenating mask, containing some of the most luxurious moisturising ingredients to give the skin maximum benefits, including Hyaluronic Acid, Royal Jelly, Ceramide 2 and Kaolin a natural firming and cleansing mineral, which works to replace, lost hydration, improve the elasticity of the skin, firms and encourages new skin cell growth. Gentle enough to be used around the eye area, leaving your skin looking and feeling its best!
